

Adopt or Sponsor one of Safe Haven's Senior Felines!

Friendly!

CALI
5-year old calico
Female

A shrewd observer of humans, Cali is among the first in the cattery to say hello to visitors. She enjoys a good petting and brushing, but when she's had enough, she lets you know with a flick of a paw. Then she wants to be left alone to take a cat nap. This is a gal with plenty of "purr-sonality" to spare!

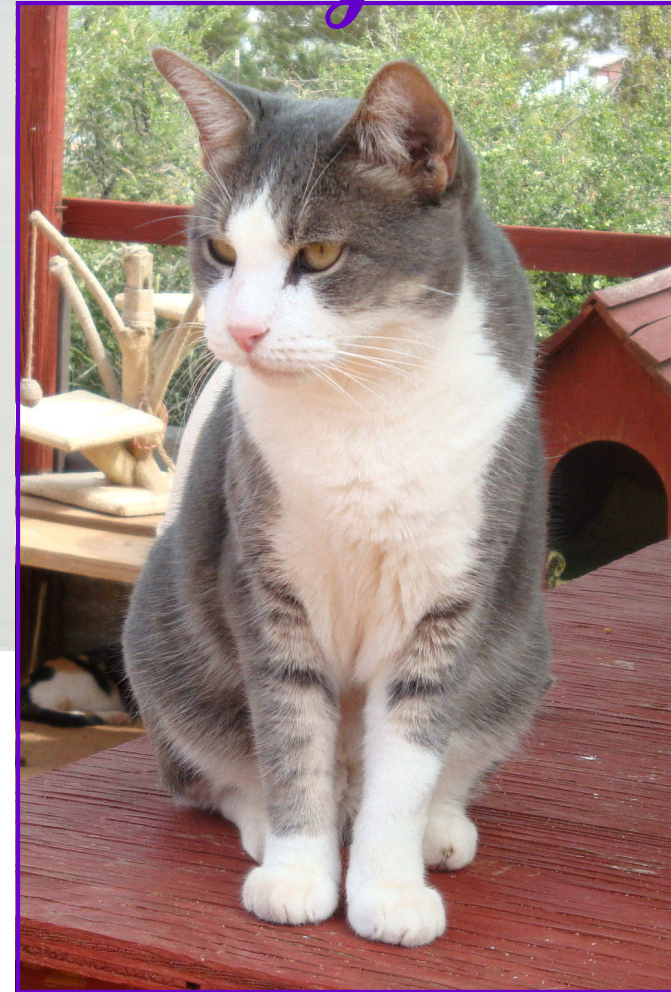

Talkative!

SPEAKER
12-year old long-haired
gray tabby
Female

Speaker likes to strike elegant poses for visitors. This feline is a real talker, too! She came to Safe Haven because a child in her family developed allergies, but we've found Speaker doesn't shed a lot. She believes she's nothing to sneeze at and hopes a new family will take her home soon!

Regal!

LESLIE PRESLEY
PUSSYCAT
6-year old gray and white
short hair/Female

Found as a stray by a woman who was determined to know her history, Leslie was taken to an animal communicator who said the cat was royalty and came from a long line of Egyptian royal cats dating back five thousand years. This was all news to Leslie who considers herself a down-to-earth cat that just wants a warm cat bed in a

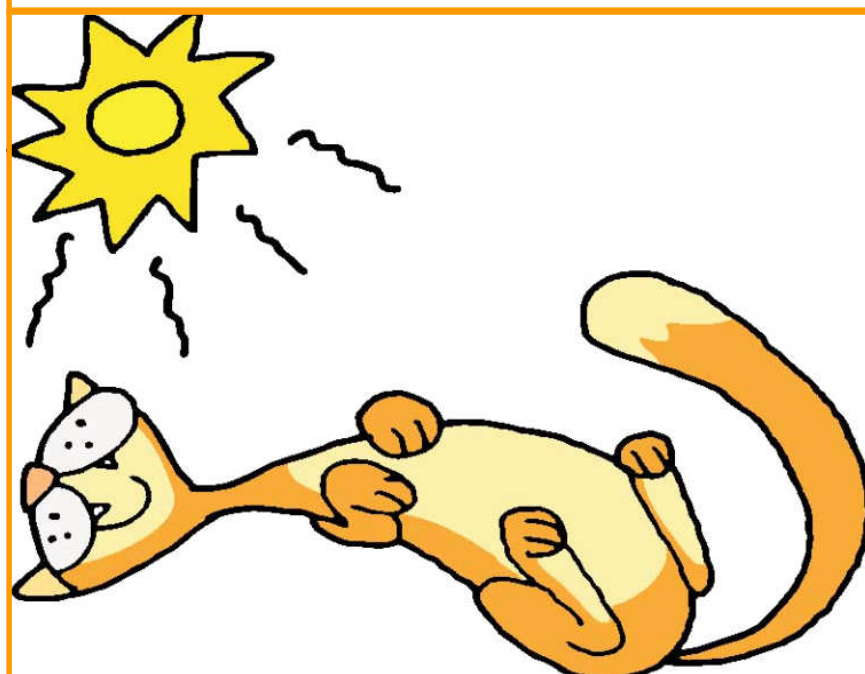

Lovable!

COSMO
8-year old gray domestic short
hair
Male

Cosmo came to Safe Haven when his owner moved out of state. His former owner said Cosmo likes dogs, other cats, and children. Cosmo is a calm cat who likes attention. At our cattery, he has had the chance to be outdoors in a secure, covered area, and he enjoys the fresh air and the company of others and sometimes solitude, too. He'd love a Purr...fect Cat Fence, but what cat wouldn't?
